

Sport-e newsletter

What is it?

SASSOT's sporte-newsletter is issued on the last Friday of every month to over 1,000 readers including all partners, clubs, coaches, volunteers, local press, councillors and MPs.

What's included?

It contains the latest news and information from SASSOT, Sport England, NGBs, Competition Managers, SSPs, Local Authorities and many more partners.

How do I get my information on there?

The screenshot shows the layout of the Sport-e newsletter. On the left is a vertical table of contents listing articles from February 2010 back to November 2007. The main content area on the right features several article teasers with images and text:

- New funding opportunities now available:** Includes a link to 'opportunities' and 'funding' sections, with a note that new funding opportunities (including new funding from EDFPS) are up for grabs now.
- Sport England Themed Funding - Active Universities:** Mentions that Sport England has announced details concerning the next phase of their themed funding rounds.
- SASSOT launch new Disability Sport section:** Announces that Sport Across Staffordshire & Stoke-on-Trent (SASSOT) has redesigned its disability section on the web to be more easily accessible and developed as a one-stop shop for disability sport within Staffordshire.
- Award Haul for Staffordshire:** Reports that on Thursday 29th March people involved with disability sport in the West Midlands arrived at a rather wet Aston Villa Football Club for the 11th EDFPS West Midlands Disability Sport Awards.
- Sport Unlimited:** Celebrates their best KPIs to date with an encouraging 82% of original target achieved in the Autumn.

At the bottom right of the newsletter preview, there is a silhouette of a person in a dynamic pose, possibly a martial artist or a dancer, set against a blue background.

Enhanced Services

Hosting

What is available?

SASSOT has the capacity to host NGB or other staff within its office at Stafford Borough Council. A range of hosting services are available to meet the individual needs of each organisation including:

- > Desk space
- > Internet access
- > HR, payroll and financial services
- > IT support
- > Admin support (printing, copying and postage)
- > Line management
- > A standard annual fee is charged for each of these services. For further information about hosting contact the Sports Manager.
