

## Breakfast Club Family Grants Programme

As a result of the **Blue Peter Mission Nutrition Appeal**, ContinYou has a number of grants of £350 available to offer to breakfast clubs. These are intended as 'seed' funds to enable an existing breakfast club to develop a sustainable family dimension – this should include creating an aspect of the breakfast club that will support children and families who are hard to reach or particularly vulnerable.

Grants are available thanks to the generosity of children who raised money during the Blue Peter Mission Nutrition appeal which ContinYou took part in, in partnership with the **Federation of City Farms and Community Gardens** and **Save the Children**. You can find out more about this at [www.missionnutrition.org.uk](http://www.missionnutrition.org.uk).

The grants programme aims to enable a school or a community group to develop a sustainable family dimension within an existing breakfast club that will:

- support hard-to-reach or vulnerable children
- enable children from families that are in the greatest need to benefit from the breakfast club provision.
